Pastors Chandler & China Cleveland

The Clevelands are a dynamic team, called to develop spiritual leaders globally. Third generation pastors and international conference speakers, they serve as seasoned advisors and mentors to Christian leaders worldwide. Walking in an apostolic anointing that transcends cultural barriers, they are responsible for churches and ministries in North and South America. Both adept in the use of prophetic gifts, they have been endowed with the conviction and grace to foster spiritual growth in the lives of God's champions.

In 2000, Chandler and China founded Global Impact Group, Inc., a non-profit organization which cultivates leaders through personalized training with individuals and groups around the world. They frequently conduct conferences, seminars and workshops, primarily in the areas of leadership, communication, relationships and spiritual gifts. These training sessions can be customized to meet the individualized needs of pastors and other church leaders, families, couples or singles.

Chandler earned his BA. from Yale University and the University of California at Berkeley. He has done graduate work towards a M.Div. at the University of California at Berkeley. China received her B.A. in elementary education from the University of Illinois at Champaign/Urbana. She has over 25 years of private and public school teaching experience. They both have undergone extensive developmental training in group leadership and communication dynamics.

Having been uniquely used by God to strategically impact countless lives across the globe, China and Chandler Cleveland are holistically equipped to add intangible and tangible value to your ministry.
